- Working in the Great Outdoors

ABOUT THIS POSITION:

The Yard/Shop Technician role assists in the general operations and maintenance of the Nursery and Garden Center. Loads and unloads materials with a skid steer – customer purchases as well as product deliveries. In addition to maintenance and customer support, this role may be involved in tasks such as maintaining plants and ensuring the overall appearance of the garden center.

ABOUT YOU:

Previous landscaping experience and a familiarity with small engines and machinery. Comfortable operating a skid steer, managing repairs, and answering landscaping questions. Efficient communicator with project management skills. Motivated self-starter with a knack for creative problem solving. Thrives in a dynamic environment and motivated by helping others.

ABOUT US:

We are a family-owned business that has been healing the planet one garden at a time since 1979. Our core values include a passion for horticulture, ambition, dedication, teamwork, caring, positivity, and flexibility.
