Organized, mindful and detail-oriented leader. Retail-savvy facilitator looking for a dynamic role to connect with customers and employees alike. Able to multi-task and work collaboratively to find environmental solutions.

## **ABOUT THIS POSITION:**

The Garden Center Manager is responsible for planning, directing and executing the overall operations and profitability of the garden center. Leads and motivates garden center team members to ensure delighted customers and healthy plants. Shares in the vision to create edible gardens, pollinator-friendly habitat and embraces sustainable gardening practices.

### Leadership

- Inspires and leads four garden center supervisors and supports the entire GrowHaus team
- Participates in leadership decision making processes and helps define future strategy for the garden center
- Leads by example, invests in training and supporting the team
- Utilizes and analyzes data to support decision making

### Garden Center Operations

- Responsible for planning and forecasting product assortment and offerings - selection, vendor relations, ordering, pricing
- Supports Nursery Stock Grower and Annual Grower - ensures diverse plant offerings and happy, healthy plants
- Creates and manages the weekly schedule for all garden center team members
- Drives and supports all garden center operations

### Customer Service

- Sets the tone, leads by example and holds staff accountable for delivering great customer service
- Brand ambassador for GrowHaus and is committed to “wowing” all customers
- Ensures internal processes and systems enhances the customer experience
- Creates exciting and interactive displays and experiences for our customers

## **BENEFITS:**

- Competitive salary
- Workshops & training in horticulture & organizational development
- Annual education allowance & health insurance reimbursement
- Paid holidays & vacation
- Simple IRA (when eligibility is met)
- Company provided uniforms
- Surplus plant stock when available
- Fun, small team environment

## **REQUIREMENTS:**

- Exceptional customer service skills
- Attention to detail and mathematical skills
- Minimum 2 years horticulture experience
- Minimum 3 years management experience
- Must be available to work some nights and weekends
